## COMPANY PROFILE

### Smart Toya Smart supplier

Established in 2015, Ningbo Toya Import and Export Co., Ltd is a professional supplier that is concerned with the design, development and production of Home Decoration including Candle Holders Bedding Sets and Household Accessories including Tape Measure, Auto Soap Dispenser and Fan Motors. We are located in Ningbo, with convenient transportation access. All of our products comply with international quality standards and are greatly appreciated in a variety of different markets throughout the world.

We have our own QA and QC team to do quality assurance and quality control for each individual order. We regularly check the production line in factories in during mass production inspection and final inspection. Each individual order MUST have pre-production samples approved before mass production can start. Factory audit, production testing, third party inspection also available depending on customer request.

After rapid development in recent years, Toya has created a wealth of marketing and service experience, and enjoys customer praise year by year. As a thriving provide and trustworthy partner. TOYA continues to bring quality products, unsurpassed services and suppliers all over the world.

TOYA is a yong company but our passion for all of our customers has never been greater. We do everything to provide the most moderate products and the best service to our customers.
